

American Farmstead Cheese

Farmstead Cheese - a cheese made exclusively from the milk of a cheese maker's own animals. Enjoy the uniqueness of artisan cheese and rediscover what many believed was a lost art in the United States

Hook's 7 Year Old Cheddar

Madison, Wisconsin

Extra sharp cheddar with some calcium (calcium lactate) crystals that add a little crunch. This cheddar has a full, robust flavor profile
eight dollars

Maytag Blue Cheese

Newton, Iowa

This blue cheese was awarded best hard blue cheese in 2005. Maytag Blue is a cheese that is hand-made in a small farm in Iowa in tiny batches. It is then aged and monitored for months until it reaches its peak flavor and aromas.

Has a creamy texture
eight dollars

Marisa Cheese

Wisconsin

This pasteurized sheep's milk cheese is white in color with mellow yet sweet and complex flavors. Marisa cheese is named for the daughter of the creator of the cheese, Sid Cook. He says his daughter and the cheese share the same characteristics - slightly sweet and rambunctious
eight dollars

A Taste of All Three

seventeen dollars

All cheeses are accompanied by a hand crafted lavish cracker and dried apricot jam
